

Privacy policy Smart FaceMatch App (iOS).

Personal data:

Smart FaceMatch constantly analyses the camera's view finder for faces of people. This analysis is required to automatically trigger the camera's shutter when a face is detected.

The automatic shutter enables the lightning fast usage of the application in critical situations and further ensures that only photos of faces can be used for comparison.

During this video frame analysis the application detects facial landmarks and contours of the most prominent face in the camera view finder and classifies it. The classification results are the probabilities whether the person is smiling or their eyes are opened.

This face data is used for validation before triggering the shutter and is then used for calculations to automatically align the photos on screen.

The collected face data as well as the related photos are stored locally on device only and are not shared with any other third party service, product or company. Each saved face comparison is automatically and irrevocably deleted 7 days after recording. The saved face comparison can also be irrevocably deleted by the user at any time before this.

The facial data is stored for 7 days so that the app user can fulfil their official duties. No biometric data is stored, only the photo of the face as a pixel file.

Your rights

You have the right to information, correction, deletion, restriction, data portability, revocation and objection. In this case, please contact us via the email office@doculuslumus.com. If you believe that the processing of your data violates data protection law or your data protection claims have been violated in any other way, you can complain to the supervisory authority. In Austria this is the data protection authority (<https://www.dsb.gv.at>)

Change of data protection declaration

We reserve the right to change these terms at any time in accordance with business needs.

The person responsible within the meaning of the GDPR is:

Doculus Lumus GmbH

Sandgasse 25a/5

8010 Graz

AUSTRIA

You can reach us at our previously mentioned company address or by email at office@doculuslumus.com.
